

***Are you seeking a challenging position as a Kitchen Designer?  
A great career opportunity is now available with Kelly-Fradet Lumber!***

**Kitchen Designer**

Start your new career as a Kitchen Designer with Kelly-Fradet Lumber. Be part of a privately and locally owned company, supplying lumber and building materials to Western Massachusetts and Northern Connecticut for over 60 years.

We require our new kitchen designer to have a minimum 5 years of experience in sales and 2020 Design Software. The right person will possess a pleasant and courteous personality with a clean and neat appearance. If you are self-motivated and eager to learn and grow with the company, this is an excellent career opportunity. As our co-founder would often proclaim, "It's the families who work for Kelly-Fradet, and the customers who purchase from us, that create the foundation to our success!"

**Duties included, but are not limited to:**

- Customer consultations, color choices, budgets, etc.
- Creative design solutions with 2020 Design software
- Job-site measuring
- Prepare final paperwork
- Process orders and purchase orders
- Provide in-store support for the Outside Sales Team.
- Participate in on-going product and sales training

**Workplace**

- Casual but steady paced environment
- High job satisfaction
- Low employee turnover rate
- Non-rotating schedule
- No Seasonal Lay-offs
- Company functions for employees and family members
- Annual fund-raising golf tournament

**Compensation (full-time employees)**

- Competitive Pay
- Overtime Compensation available
- Weekly Paycheck
- 401K with Company contribution

**Benefits (full-time employees)**

- Health Insurance Plan
- Employee Life Insurance (after 1 year of employment)
- Short Term Disability (after probation period)
- Paid Holidays
- Paid Vacation/Personal time off
